PROFILE SUMMARY

Experienced UI/UX professional with **6+ years** of expertise in translating complex ideas into user-friendly designs. I am seeking an opportunity to apply my knowledge in interaction design, usability analysis, and visual aesthetics to drive product innovation. Committed to creating designs that resonate with users and elevate brands.

EXPERIENCE

Lighthouse Asia Pacific Private Limited

Senior UX Designer

April 2025-Present Bangalore, JP Nagar

- Unified complex eDiscovery tools into one **AI-driven product**.
- Designed scalable, high-performance interfaces for global legal and review teams.
- Improved end-to-end review efficiency and accuracy.
- Applied AI insights to reduce risk and effort.
- Led **UX discussions** in cross-functional meetings, influencing key product decisions.
- Drove standards-based UX alignment across modules in partnership with engineering and product leaders.

Aeth Analytica Pvt.

UI/UX Designer

Oct 2023 - Nov 2024 Calicut,kerala

Led the end-to-end UI design for the BillMyKart platform, empowering users to build **mobile** and **web e-commerce applications** with ease; the platform now supports 100+ active stores. Additionally delivered high-quality, user-focused designs for **fintech**, **banking**, and cross-industry digital products, enhancing usability, consistency, and overall user engagement.

Study Soup.Com

Junior UX Designer, Subject matter expert

Aug. 2019 - July 2023 US based

As a Junior UX Designer and Subject Matter Expert, I designed user interfaces for the StudySoup LMS platform, integrated user feedback, conducted research and testing, provided UX expertise, and supported design system implementation.
